

Italy!

The world comes here for a reason.

As one of the most popular destinations in the world, Italy is brimming with remarkable sights. Navigate the canals of Venice. Sample the art history of Florence. Explore the ancient corners of Rome. Visit the romantic Isle of Capri and the fascinating ruins of Pompeii. You will experience all this and more with the Swannanoa Valley Museum's

The Swannanoa Valley Museum invites you to join other history-lovers on this year's heritage tour to Italy. We will travel aboard a Cosmos Tours' luxury motor coach from Rome to Pisa and Florence, Milan and Lake Maggiore, Lugano, Verona, Venice, Ravenna, Perugia, Assisi, Pompeii, Sorrento and Capri.
